Please bring a valid ID, Social Security Card and your WARN or layoff notice. Initial paperwork will be completed.

Job Club:

Meet with other job seekers to network and learn about available jobs in the community. Get ideas on where to look, how to look, and the steps you can take to secure that job.

Group Eligibilities for the Workforce Development Council:

After the Workforce Preparation Orientation, those seeking consideration for one of the Workforce Development Council programs may attend this workgroup to help determine eligibility for those services.
